Library Summer Fun Coloring Reading Tracker

Birth to Grade 2

Participate by reading (or being read to) and track your minutes on our coloring sheet. Color in a block for every 20 minutes you read. Once you fill up 3 blocks on your coloring sheet, take a photo and text it to us, or send us an email. Then, draw a check mark next to each box so we'll know what is new next time. If you fill up the whole coloring sheet, you've read enough to claim 5 virtual raffle tickets! Repeat.
