Between April 7-May 9, 2019 library staff conducted a four-week, hour-by-hour count of patron activity in non-reserved spaces of the library to determine if Saturday and Sunday patron patterns which staff observed a year and a quarter into operating with the current hours warranted an adjustment to weekend hours. The space study results supported staff observations of use patterns on the weekends and a proposal to extend Saturday hours until 5 pm and to close on Sundays at 5 pm beginning September 1, 2019.
